

AMALAYA
2010 Malbec
Salta, Argentina

WINE ENTHUSIAST

91
POINTS

"There is an inner tension to this wine manifest in its red fruit and acidity, in a prickle on the tongue and a crispness to the fruit. On the surface, scents of ripe fruit and chestnuts speak of the power of the Sun in the heights of Salta. The texture is unctuous and soft, coating every corner of the palate."
