WINE ADVISER

HESS SELECT LAKE COUNTY SAUVIGNON BLANC 2008

“Hess Select wines aim to source grapes from specific regions that do them best. The standout here is the 2008 Hess Select Sauvignon Blanc. From Lake County, it is a round, ripe wine, loaded with citrus and light tropical-fruit flavors. Added details of spice, pepper and herb make for a much better-than-average bottle at this price.”

- Paul Gregutt
